

ANTHONY LINDOFF

VICE CHAIRMAN, BOARD OF DIRECTORS
HUNA TOTEM CORPORATION

For the last 50 years, Huna Totem has been blessed with great leadership, both on the Board of Directors and on its management team. Through difficult times, they have built the foundation and paved the path that will propel us well into the next 50 years. Despite its humble beginnings, Huna Totem has attained unprecedented levels of success and evolved into a model ANCSA corporation.

I am extremely proud of what Huna Totem has been able to achieve during the last ten 10 that I have served on the Board, and truly believe we're seeing just the tip of the iceberg. While it hasn't been easy, it was our ancestors' wisdom, vision and commitment to *Xunaa Káawu* that gives us the strength and desire to create our model of sustainability.
