

JODI WISE

DIRECTOR, BOARD OF DIRECTORS
HUNA TOTEM CORPORATION

The changes and growth that have occurred within Huna Totem since its incorporation 50 years ago are the result of the work done by all of the previous boards and management teams. For 50 years, many dedicated individuals joined together to build a village corporation to be proud of and one that we continue to build today.

I give my thanks to those who served before me and honor their contribution. I look forward to the work ahead, and to another 50 years of continued growth and success as part of the best village corporation in the state.
